**Petitioner states:**

- The only asset of any value of the estate was real property on B Street in Selma valued at **\$270,000.00** with an encumbrance of **\$135,000.00**;
- Diligent efforts were made to sell the real property (see copy of seller's closing statement dated 7/5/2007 showing **\$230,000.00** sale price), but the buyer withdrew and no other buyer was found, resulting in foreclosure on the property when Co-Administrators could no longer afford to make the loan payments on the house as they had done for a year after Decedent's death (copy of Trustee's Deed Upon sale attached as Exhibit 2); the estate has not included real property since 3/11/2008;
- The only other estate property was estimated at **\$3,000.00** on the initial Petition for Probate, which included a 1989 automobile in very poor condition and not operating; Petitioner states his Co-Administrator (sister) was unable to sell it and gave it to a person she knew without recovery of any recompense;

**Petitioner states, continued:**

- Petitioner also states his Co-Administrator (sister) held a sale of the limited personal property left in the residence which netted no more than **\$1,000.00**; it may be that the Co-Administrator used the money to pay part of her ½ of the monthly payments on the home mortgage; these events took place in or before 2007 so the estate had no assets since then and since the foreclosure was recorded on 3/11/2008; both Co-Administrators were expecting Co-Administrator Katherine Royce would undertake most of the responsibility as administrator since she resided in Selma near the real property and William Shockley resided in Oakhurst area;
- The estate proved to have substantial creditors besides the mortgage on the property and the claim of the Franchise Tax Board; Exhibit 3 lists 19 other creditors with amounts totaling **\$23,739.98**;
- No Inventory and Appraisal has been filed in this matter, and should not be required in this case because of the [above-noted] circumstances; Petitioner seeks termination and discharge; the Court may order termination and discharge although an inventory has not been filed, pursuant to Probate Code § 12251, *Law Revision Commission Comment, California Probate Procedure*;
- Petitioner waives all rights to any compensation as Co-Administrator, but in any case it appears none are payable due to lack of any assets; Attorney for Petitioner waives all rights to any compensation and waives any reimbursement of costs advanced;
- No advance distributions have been made other than what the Co-Administrator Katherine Royce did with the automobile and proceeds from sale of personal property without involvement of Petitioner Co-Administrator; there is no proposed distribution because there are no assets to distribute.

**Petitioner requests the Court Order that:**

1. The Court find this estate is an appropriate no-asset estate to be handled under Probate Code § 12251 providing that at any time after appointment of a personal representative and whether or not letters have issued it appears there is no property of any kind belonging to the estate and subject to administration such that the personal representative may be discharged; and
2. That the personal representative be discharged and the estate administration be terminated.

**Unverified Status Report states** the estate of Johnny Garcia is currently in a holding pattern pending the outcome of the appeal of the civil matter which holds the bulk of the estate property. There have been no funds received into the estate from the \$184,798 awarded in 7/2011 due to the appeal filed by Atty. Kharazi in 9/2011 on behalf of the Roberts. The estate is not in a condition to be closed at this time.

The personal property listed on the inventory is currently in the possession of Omega Garcia (spouse) pursuant to the agreement that she was going to get one-half of the estate. This property was going to be part of her distribution.

Per docket, as of 7/30/13, oral argument notice was sent to both attorneys. On 8/6/13, Atty Kharazi requested oral argument, personal appearance. On 8/8/13, Atty Littlewood filed a conditional oral argument waiver or personal appearance. On 8/21/13, oral arguments were set for 9/18/13. See attached.

**Until the civil matter is decided, we do not know what the final I&A amount will be. A six month continuance is requested.**

**Minute Order 8-30-13: Ms. Johnson is appearing specially for Ty Kharazi. The Court is advised that oral argument in the appellate court is set for 9-18-13.**

The Court excuses Mr. Kharazi from further appearances in this matter. Mr. Kharazi indicates to the Court that he will remain as counsel of record for his client. Continued to: 5/1/14 at 09:00a.m. in Dept 303.**

**Minute Order 5-1-14: Counsel advises the Court that Mr. Little contacted her regarding the levy process.**

**Status Report filed 11-24-14 by Lorena Garcia states** she received an email from Attorney Littlewood of McComrick Barstow, who handled the civil litigation regarding the real property and is also handling enforcement of the judgment with the Sheriff's Dept., on 11-20-14. Mr. Littlewood reports that the Writ of Execution and instructions have been submitted to the sheriff. To date, the Sheriff has not issued a Notice of Sale, and calls to the Sheriff's Dept. have gone unreturned. Attorney Littlewood's colleague, John Hastrup, will attend the hearing on 12-4-14 to give the Court information.

The account indicates that the trust received \$10,000.00 and then disbursed that \$10,000.00 to the Leigh Law Group for educational legal services. However, the petition does not state and there does not appear to be a petition requesting authority to pay attorney's fees. It appears that these fees were paid without a court order. 3. Pursuant to the Order Approving the Special Needs Trust, Edward Crable was to receive \$19,250.00 from a Minor's Compromise Claim which became the corpus of the Trust. The Court allowed \$9,250.00 to be placed into a blocked account and allowed \$10,000.00 to remain unblocked with bond set at \$11,000.00. <b>DOD: 01/09/13</b>	<b>JACKI DRIVER</b> , girlfriend, was appointed Executor with full IAEA and without bond on 12/05/13. Letters Testamentary were issued on 12/05/13.	<b>NEEDS/PROBLEMS/COMMENTS:</b>  <b><u>CONTINUED FROM 09/25/14</u></b>  1. Inventory & Appraisal filed 11/25/14 is marked that it is a final Inventory & Appraisal, however item 3 is marked that the assets inventories only represent a portion of the estate. Therefore it appears that there may be additional estate assets to inventory. Need clarification.

Father and Petitioner had been the primary caretakers for the minor and the mother had limited visitation. The father passed away 10-22-14 and the child is in need of temporary care, maintenance and support. On 10-23-14, the mother made threats to shoot up Petitioner's house with the minor and other family inside. She was taken into custody and has pending felony case for criminal threats and endangering a child. The mother also has two active misdemeanor warrants, one of which is for a pending child abuse case. See attached Family Law order and Emergency Protective Order.

## Page 2

**Mother's Objection states** she was served 11-5-14, which has not provided enough time to find someone to assist her with file whatever documents she needs before the hearing. The declaration provides a history of custody of the minor and states that even though the Court gave Ms. Osterwise one day a week, she and the father had an informal arrangement whereby Nike lived primarily with her and visited the father on alternating weekends. He would occasionally stay with the father during the week. She and the father enjoyed a very cordial relationship and worked well together with regard to Nike. It was only after the petitioner became involved that they developed problems.

Ms. Osterwise states that when she learned that the father passed away, she went to the school to pick up Nike. She had contacted law enforcement for assistance by means of a stand-by. She had already confirmed that since the father had died, the custody order was no longer effective. However, she encountered problems with the school, and Petitioner arrived and had Nike removed from school grounds. She then went to their residence, but learned that Petitioner had told the officer that Ms. Osterwise had threatened her. She was arrested, and Petitioner was given an Emergency Protective Order that was in effect until 10-30-14. Additional details provided in Declaration.

Ms. Osterwise states Petitioner has attempted to paint a very ugly picture of her for the Court, including the felony and misdemeanor cases against her. The truth is that the PC422 felony (criminal threat) charge is the one that is mentioned above. She was never charged with PC273A. The PC273B was resolved. The VC14601.a misdemeanor was dismissed.

Ms. Osterwise provides additional details regarding history and states she is extremely capable of caring for her son. She has another son, Christian, who is 12, and she and the father share joint custody.

Ms. Osterwise states the father's family members are either gang members or have gang affiliations, and she believes Nike is certainly in more danger living with Petitioner than with her. In addition, she alleges that Petitioner has been physically abusive to Nike.

Ms. Osterwise requests the Court deny the petition.

<b>Letters</b>		<b>Former Report of Status of Administration filed 08/18/2014 states</b> Petitioner filed an 850 Petition seeking to have the tentative property settlement that decedent and her husband, Robert H. Hanggi has filed a Petition for a Probate Homestead over the interest the decedent owned in the real property. The hearing on the 850 Petition and the Petition for a Probate Homestead has been continued to 10/02/2014. Petitioner believes there is a reasonable probability that the matters will be resolved at that time. Petitioner is informed and believes and thereon alleges that the estate may be in a position to close by the end of 2014. The major issue to be resolved is the amount the decedent's estate will receive from Robert Hanggi, for decedent's interest in the residence and reimbursement of the funds for the cattle which he deposited into his own account and the termination of the length of his Probate Homestead.
